One of the most significant and exciting developments in St. Charles Youth Ministry over the past decade has been the vibrant growth in our summer programming. Each week is a fun filled week of service and justice, exciting activities, and fascinating learning opportunities in a retreat-like environment. These opportunities are transformative and are only possible with the support of this outing!

The financial support from the Golf Outing is what enables these service opportunities, pizzas on a Tuesday afternoon, and many other events we host throughout the year. So, whether you're an experienced golfer, or this will be your first time out- come join us in support of an amazing cause!

Outstanding Alumni Award

This year's recipient of the "Outstanding Alumni" award is Erin Howard. Please join us this year at the dinner when we will present the third annual award to her. Erin is a Youth Group Alumna from 2022 who has returned to support the ministry in countless ways while attending Seton Hall.
